

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

CURTIS JACKSON,

Plaintiffs,

Hon. Janet T. Neff

v.

Case No. 1:13-CV-475

F. HOGLE, et al.,

Defendants.

REPORT AND RECOMMENDATION

This matter is before the Court on Plaintiff's Motion for Transfer. (Dkt. #15). Pursuant to 28 U.S.C. § 636(b)(1)(B), the undersigned recommends that Plaintiff's motion be **denied**.

Plaintiff initiated this action on May 2, 2013, against several individuals alleging violations of his First Amendment and Eighth Amendment rights. Asserting that his "mental status is deteriorating and [that he] needs to be relocated to another facility to receive the proper treatment," Plaintiff moves this Court for an Order directing prison officials to transfer Plaintiff to the correctional facility of his choosing.

Injunctive relief is "an extraordinary remedy which should be granted only if. . .the circumstances clearly demand it." *Overstreet v. Lexington-Fayette Urban County Gov't*, 305 F.3d 566, 573 (6th Cir. 2002). To obtain injunctive relief, Plaintiff must first show that he "is being threatened by some injury for which he has no adequate legal remedy." *Dana Corp. v. Celotex Asbestos Settlement Trust*, 251 F.3d 1107, 1118 (6th Cir. 2001) (citations omitted). If such is the case, the court must then examine several factors: (1) whether the movant is likely to prevail on the merits, (2) whether the movant would suffer irreparable injury if the court does not grant the injunction, (3) whether a

preliminary injunction would cause substantial harm to others, and (4) whether a preliminary injunction would be in the public interest. *See Samuel v. Herrick Memorial Hospital*, 201 F.3d 830, 833 (6th Cir. 2000).

Rather than prerequisites which must each be satisfied, the relevant factors, none of which are dispositive, are competing considerations to be weighed and balanced. *See Six Clinics Holding Corp., II v. Cafcomp Systems, Inc.*, 119 F.3d 393, 400 (6th Cir. 1997); *Michigan Bell Telephone Co. v. MFS Intelenet of Michigan, Inc.*, 16 F.Supp.2d 828, 831 (W.D.Mich. 1998). Ultimately, the decision whether to grant injunctive relief lies within the court's discretion. *See Dana Corp.*, 251 F.3d at 1118 (the "most significant single component" in the decision whether to grant injunctive relief "is the court's discretion") (citations omitted).

Plaintiff has failed to demonstrate that he suffers from any impairment or ailment which is incapable of being adequately treated at the facility in which he is presently housed. Plaintiff has failed to establish that he is likely to prevail in this matter or that he would suffer irreparable injury in the absence of injunctive relief. Finally, the Court finds that the public interest would not be served by judicial interference in the day-to-day operations of a correctional facility in the absence of evidence supporting such. Accordingly, the undersigned recommends that Plaintiff's motion be **denied**.

CONCLUSION

For the reasons articulated herein, the undersigned recommends that Plaintiff's Motion for Transfer, (dkt. #15), be **denied**.

OBJECTIONS to this Report and Recommendation must be filed with the Clerk of Court within fourteen (14) days of the date of service of this notice. 28 U.S.C. § 636(b)(1)(C). Failure to file objections within the specified time waives the right to appeal the District Court's order. *See Thomas v. Arn*, 474 U.S. 140 (1985); *United States v. Walters*, 638 F.2d 947 (6th Cir.1981).

Respectfully submitted,

Date: October 8, 2013
